

T-Art developed from my interest in spending time outdoors taking photographs. One picture, in particular, of a lonely, leafless tree got me thinking that natural elements would look great on clothing. At the same time, my mind wandered to slogans and phrases that would appeal to and resonate with young people today.

Hope Tree

"It's Cool to Care!"

"It's Cool to Care." reminds us that it's not only okay to care about wildlife, people and the world around us, it's something to brag about.

Organic Material

Organic materials are the backdrop for images and designs that decorate each shirt.

T-Art uses products from American Apparel, Canada's Uptick Apparel (long sleeve) and Jerico (bamboo/organic cotton hoodies).

National Tree Day tee

Kids' Colour-me Tees

Organic natural or white colour-me shirts come with Crayola washable markers. Simply colour the tee, wash it, and colour it again.

T-Art offers a few designs sporting the phrase "It's Cool to Care."

Use an existing design for fundraising or work with T-Art to develop a custom design that reflects the goals of your school. From Eco-school initiatives and environmental awareness, to bullying, peer mentoring, community partnerships and special celebrations, an organic product is a great choice.

Children's sizes **2 to 12** available.

Tees incl. a few Crayola washable markers

Minimum order of **12** for custom orders

Per unit discounts for bulk orders

Spooky, Proud & Hope

T-Art celebrates the beauty in each day by featuring trees such as "Spooky", "Proud" and "Hope" on its tees, totes, hoodies and stainless-steel water bottles. Spooky & Proud tees feature the words: "Pure, Strong, Forgive & Nature" while the Hope tee has the text: "Freedom. Serenity. Peace."

Shirts in ladies, men's and unisex sizing **XS to XXL**
